### Want to know what to practice each week?

I work from a pre-made play list each week. If you'd like me to email that list to you so you can know what Beginner, Improver and Intermediate dances will be played on the next Monday night, I am happy to do that. If you have requests for the following week, put them in the Suggestion Jug or email me at [dancingwithpatti@yahoo.com](mailto:dancingwithpatti@yahoo.com).

Or...on Sundays (usually) I post the list of dances that will be on the playlist (subject to change of course) on my Dancing With Patti Facebook page.

***Make sure you are signed up for my weekly email so that you get the dances I'm teaching the next Monday ASAP.***

**HOWEVER....  
no "practice" is required!**

If you just wanna come, have fun, dance what ya can, when ya can....that is totally FINE!!

***\*\*BEGINNER NOTE - I use this list for most of my beginner LESSONS on DWP class nights!!! I rotate through them although occasionally I will teach a new beginner dance.***
